Graduate Recognition Appearance Standards and Rehearsal

The Recognition and the participating graduates are representatives of home education. In keeping with this formal occasion, the NCHEA requests that appearance standards for participation include modest dress. If you are going to participate in the Recognition, **you and your parents must be in the auditorium by 5:00 PM** for a brief rehearsal. Upon arrival please check-in at the Conference registration table.

Our goal in setting forth these guidelines is to provide guidance as we all strive to be good stewards in regard to our personal Christian testimony and that of NCHEA. The goal of the NCHEA Graduate Recognition is to bring honor to God for the work that He has done in the lives of home educating families. We request that the dress of the graduates reflect Christian modesty and that it does not distract or detract from this important occasion. Please follow the guidelines below when selecting your attire. If you have any questions, please contact Kathleen Lenzen at 402-423-4297.

For men:

The general fit/fabric of the outfit needs to conform to modest Christian standards. Young men should wear a collared dress shirt and dress pants with a belt. A jacket and tie is appropriate, but not required. Undergarments should NOT be visible.

For women:

Dresses and skirts should be at least knee length, shoulders should be covered with no strapless or spaghetti strap tops, no plunging necklines with cleavage revealed, no deep plunging backlines with more than half the back exposed, no bare midriffs, undergarments should not be visible, and clothing should NOT be transparent.

Unacceptable Attire:
