

Teen Conference

Convincing Proof Is the Bible from God?

In this conference students will learn good reasons and evidence to believe that the Bible is from God. Students will be equipped to answer the following questions: Many people throughout history have claimed to have messages from God, but how do we know which are really from God and which are fake? How can the Bible be from God since it was written by humans? Why do Christians believe the Bible is completely true and contains no errors? How did Christians come to the conclusion that these 66 books in particular are truly messages from God? This conference will be led by Timothy Schmidt and Adam Lloyd Johnson.
