Aiming for both the head and the heart, Israel's goal is to challenge audiences to take every thought captive and make it obedient to Christ. In his words, "God's Word applies to all areas of life. There is not one facet of our existence which does not fall under the direct claim of Lordship by Jesus Christ. TEEN CONFERENCE

How do we know there really is a God?

According to a Gallup poll published in 2023 (Belief in Five Spiritual Entities Edges Down to New Lows) belief in God among Americans has dropped from 90% in 2001 to 74% in 2023. Among those ages 18-34 only 59% believe in God. Now more than ever it's important for us to **"always be ready to give a defense to anyone who asks you for a reason for the hope that is in you" (1 Peter 3:15)**. In this conference students will learn good reasons and evidence to believe that God really does exist. For example, they'll learn about First Cause, Design, and Moral arguments for God (Romans 1:19-20, 2:14-15). We'll also cover the best responses to arguments against God such as the Problem of Evil and the Problem of Divine Hiddenness. They'll also have the opportunity to practice sharing their faith through role playing.
